

JOIN THE CAFOD dream team

Let's raise money to help make dreams come true

Poverty, violence and injustice stop millions of children from doing things we take for granted, like having fun, making friends or even going to school. This Harvest Fast Day – 7 October 2011 – we are asking children in England and Wales to raise money to help children living in poverty achieve their dreams.

By joining the CAFOD Dream Team, your pupils will also have the chance to reflect on their own ambitions. In the run-up to the Olympics, athletes around the world are hoping to achieve their dreams. But what do your children dream of achieving? What really matters to them? How can they work together to build a more fair and just world?

How to join the Dream Team

- Encourage your children to raise money as a team. It doesn't matter what sort of team they form – a walking team, a football team, a singing team – as long as they're raising money for children in poverty by doing something they love. There are loads of great fundraising ideas included in this pack.
- Inspire your pupils with our colourful *Join the Dream Team* poster, and use the target poster to help them power towards their chosen total. Go to cafod.org.uk/fastday and find personal stories from children around the world, our teacher's guide, film clips, photo stories and an assembly.

Do you dream of a more fair and just world?

Ask children to draw their dreams of a more fair and just world on their fundraising envelopes (included) or on our downloadable A4 Dream Sheets (cafod.org.uk/fastday). You can create a display of the pictures – and if you send us the pictures, we'll put them on the Wall of Dreams on our website. Or why not take the envelopes or Dream Sheets to church and display them around Harvest time? It'll help to show how your children are getting involved.

Your Action Sheet

Picture my World is our website for children. Log on today with your children to learn more about the lives of children around the world (picturemyworld.cafod.org.uk).

We're also including a **Home Action Sheet in this pack** that includes Picture My World case studies and questions. It's an ideal homework activity to help children share what they're learning at home.
