

Journey through life

God who listens and hears when we pray,
we know that you walk with us on our journey through life,
that you are there when we are at work
and when we have no work,
in our work at home and in our leisure time.
We know that you are with us always.

Help us to believe in a more just world,
help us to dream a new vision ,
give us the openness to work with others
to make a difference.

Hold us up when we stumble, when there are
obstacles and we don't know the way forward.
Give us the confidence to challenge injustice
and to nurture the flame of justice
until it burns brightly.

Amen.
